

Blessed Sacrament School 1st Grade Summer Reading

Dear Families,

We are looking forward to working with your child in first grade! We encourage all students to read several books over the summer, and first graders will be required to complete two book reports using the format below. For book recommendations, please visit the Summer Reading page of Mrs. Ferguson's blog (https://librarybss.blogspot.com/p/summer-reading_24.html). This list is only a guideline, so feel free to use other books that you feel are appropriate to your child's reading level. Students are expected to turn the book reports in at the start of the school year.

We want to emphasize the importance of daily reading with your child during the early stages of reading development. As children are at different stages of reading and writing development, we encourage parent support while completing the book reports. Although only two book reports are required, we strongly encourage that you and your child read as many books as possible this summer.

We look forward to the start of the new school year in September! Enjoy your summer!

Sincerely,

The First Grade Team

BOOK REPORT #1

Your name: _____

Title: _____

Author: _____

My favorite part of the book was when:

Draw a picture of a scene you enjoyed from the book.

BOOK REPORT #2

Your name: _____

Title: _____

Author: _____

My favorite part of the book was when:

Draw a picture of a scene you enjoyed from the book.
