

Parish Partnership Support - Family Form

“It is in the family that we first learn how to pray. When the family prays together, it remains together. This is important. There we come to know God, to grow into men and women of faith, to see ourselves as members of God’s greater family, the Church. In the family we learn how to love, to forgive, to be generous and open, not closed and selfish. We learn to move beyond our own needs, to encounter others and share our lives with them. That is why it is so important to pray as a family! That is why families are so important in God’s plan for the Church!” - Pope Francis

Recognizing the important partnership that exists between school, home and church, Blessed Sacrament School seeks to support families that are active in the life of their home parish community. Families that submit this form are eligible for financial assistance from the archdiocesan school tax funds received by BSS. Families must also share the “Parish Assistance - Pastor Form” with their pastor, so that he can complete it and send it back to BSS. This process replaces the parish sponsorship program that had previously been used at BSS, in response to changes to the school tax policy at the Archdiocesan level.

To be completed by the Blessed Sacrament School family:
