Winter basketball for grades 3-8 will start practicing in November and will hopefully begin playing games in December. Practice days and times will be determined on an individual team basis. BSS is the home court. Away games will be held in surrounding towns in Massachusetts and Rhode Island. There will be 1-2 practices per week and 10-12 games in the season plus playoffs. The older teams may also participate in tournaments that will be charged separately.

The program will be run in accordance with the COVID guidelines established by the Archdiocese.

Biddy Basketball for grades 1-2 will start in January. Registration will be posted closer to the start date.

PARENT VOLUNTEERS ARE NEEDED to make these programs happen and for them to be a success. Please consider volunteering for an athletic program as part of your service to BSS!

Feel free to reach out to me with any questions.

Keep moving and stay healthy!
