

Parish Partnership Support - Pastor's Form

Recognizing the important partnership that exists between school, home and church, Blessed Sacrament School seeks to support families that are active in the life of their home parish community. Families that have their pastor complete this form are eligible for financial assistance from the Archdiocesan school tax funds that BSS will receive during the 2022-2023 school year.

Pastors: Please help us to determine a family's eligibility for this financial assistance by completing the bottom section of this form. If you or anyone on your parish staff are unable to answer any of the questions, please indicate that on the form.

To be completed by the Blessed Sacrament School family before sharing with your pastor:
