

Blessed Sacrament School 1st Grade Summer Reading

Dear Families,

We are looking forward to working with your child in first grade! We encourage all students to read several books over the summer, either on their own or with their families. There is no assignment for the students to complete—just read for the enjoyment of it!

Mrs. Ferguson, our Librarian, has made a list of suggestions:

(https://wakelet.com/wake/akeb5d9ll_UGxcll7-Kuy). This list is only a guideline, so feel free to use other books that you feel are appropriate to your child's reading level and interests. Your local public library is a wonderful place to go to borrow books and receive recommendations.

We want to emphasize the importance of daily reading with your child during the early stages of reading development. We strongly encourage parents to read to their children, even if they can read independently. Make it a fun activity to share together!

We look forward to the start of the new school year in September! Enjoy your summer!

Sincerely,

The First Grade Team
